NOTES TO FINANCIAL STATEMENTS

December 31, 2008

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Fieldstream West Homeowners Association, Inc. is incorporated in the State of Florida. The Association is responsible for the operation and maintenance of the common property within the development. The development consists of 219 residential units located in Orange Country, Florida.

Fund Accounting

The Association presents its financial statements on the accrual basis using fund accounting. The financial statements are therefore segregated into funds based upon different funding policies established for operating and capital expenditures.

The operating fund reflects the maintenance assessments paid by unit owners to meet the regular, recurring costs of operations. Expenditures from this fund are limited to those connected with daily operations.

The replacement fund is composed of capital assessments paid by unit owners to fund future replacements and major repairs. Expenditures from this fund are restricted to those items for which assessments were specifically collected.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less.

Real and Common Area Property

Real and common area property owned by the Association is not recorded in the Association's financial statements as it was acquired in a nonmonetary transaction from the developer and the fair value of the assets cannot be reasonably determined. As a result, improvements made to the real property and common areas are not capitalized.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 2: RESERVE FOR MAJOR REPAIRS AND REPLACEMENTS

The Association is funding for major repairs and replacements based on estimated current replacement costs. Actual expenditures, however, may vary from the estimated amounts and the variations may be material. Therefore, amounts accumulated in the Replacement Fund may not be adequate to meet future needs. If additional funds are needed, the Association has the right to increase regular assessments, to levy special assessments, or it may delay major repairs and replacements until funds are available. The effect on future assessments has not been determined at this time.

The following table presents significant information about the components of common property:

COMPONENT	BALANCE 1/1/2008	FUNDING DURING YEAR	INTEREST INCOME	EXPENSES DURING YEAR	BALANCE 12/31/2008
Contingency	\$ 6,770	\$ 1,800	\$ 290	\$ -	\$ 8,860
Interest	290	-	< 280 >	-	10
	<u>\$ 7,060</u>	<u>\$ 1,800</u>	<u>\$ 10</u>	<u>\$ -0-</u>	<u>\$ 8,870</u>

NOTE 3: MEMBER ASSESSMENTS

Association members are subject to assessments to provide funds for the Association's operating expenditures, future capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date represent fees due from unit owners. It is the Association's policy to retain legal counsel and place liens on the property of delinquent homeowners. Assessments which have been deemed to be uncollectible as of the report date have been charged to bad debts.

NOTE 4: INCOME TAXES

Homeowners' associations may elect to be taxed as regular corporations or as homeowners' associations. With either election the Association is generally taxed only on its non-membership income, such as interest earnings.
